

Because I
was
powerless?

Because
the
monsters
attacked?

Because
the
villagers
wanted to
give up at
the time?

ドド

Why did
things
have to
turn out
like this?

Wrong.

this
...
world?

it's
because
of...

...

A world like
this
providing
only bitter
experiences...

is
definitely
strange...

is
definitely
abnormal
...

A world
like this
filled
with
sorrow...

Ahh...
I see...

That's
right...

It's
because
this world is
irrevocable...
because it's
incomplete...

I see...

That's
why I've
been
suffering
like this...

So
that's
it...

Then someone
needs to
do something
about this world.

Why did I think that...

The Human Hero...

Heck...

is someone
who was in
contact with
the Will of
the World.

from
many of
the citizens,
including
Clee and
Zell.

Even
Mikaros
garnered
uncondi-
tional trust.

and to
Vaminio-
sama..!

The
whole
time...

Was it
all an
act?

To
us...

Since
when?

The
whole
time
..!

Vamirio-
sama...

When
were you
contacted by
the Will of
the World?

Anne...

14

*I... made
contact
with the
Will of the
World.*

While
I was
heading
to the
Imperial
Capital

and both
my mind
and body
were utterly
exhausted,

if... you say
that this
sensation is
the "Will of
the World",
then...

probably...
when I was
a little boy.

It kept
emphasizing
that to me
over and
over.

"You need
to do
something
about the
world."

They weren't
words... It
felt like it
spoke
directly to
my heart.

15

He
deceived
Vamiria-
sama!

He just
smiled
and
tricked
everyone!

He's been
waiting
for an
opportunity
all this
time...!!

No
doubt!

He was
really in
contact
with it..

It's
true..

**Helck
is our
enemy
...!!
.....**

and
they've been
following the
Will of the
World with
the intention
of bringing
about the
"Creation of
the New
World" this
whole time...!!

With the
exception
in how they
tried to do
it, Helck and
Milraos are
one and the
same,
